Report of Compliance Officer
On Comcast Compliance with Comcast-AT&T Merger Order Safeguards ("Safeguards")
November 18, 2005

**Re: Applications for Consent to the Transfer of Control of Licenses from
Comcast Corporation and AT&T Corp., Transferors, to AT&T
Comcast Corporation, Transferee, MB Docket No. 02-70.**

A. Background

On May 18, 2005, I submitted the fifth semi-annual Report as Comcast's Compliance Officer as required by the Safeguards detailed in Appendix B of the Merger Order in the above-captioned proceeding. Today's submission covers the period from May 19, 2005 through November 18, 2005.

B. Process

As Comcast's Compliance Officer, I have been authorized to conduct any investigations necessary to perform the duties of my position, and no limitations have been imposed on my ability to conduct such investigations.

On November 8, 2005, I prepared, with the advice of counsel, a memorandum summarizing Comcast's obligations under the Safeguards. This memorandum was addressed to the senior executive officers of Comcast and the senior executives of Comcast's video programming businesses, and was distributed to approximately 71 officers of Comcast and its subsidiaries and affiliates. Each officer and executive was instructed to review the memorandum; distribute a copy to all other appropriate Comcast employees and take necessary steps to assure that these employees comply with the Safeguards; report any instances of potential noncompliance; and return to me a signed acknowledgement that he or she has performed these requirements, and that he or she personally understands, will comply with, and, to date, has complied with the Safeguards. In addition to imposing the above requirements, the memorandum encouraged all Comcast employees to contact Arthur R. Block, General Counsel for Comcast, or myself, if they had questions regarding the Safeguards. To date, I have received signed acknowledgements from 33 of the officers and executives to whom the memorandum was sent. The remaining addressees of the memorandum are currently in the process of completing the requisite acknowledgement. A supplement to this Report will be submitted to the Media Bureau after my receipt and review of the remaining signed acknowledgements.

C. Results

During the period commencing May 19, 2005 through November 18, 2005, I have consulted with Arthur R. Block, General Counsel for Comcast, with reference to

the terms on which Time Warner and Comcast own interests in a regional sports network, the terms on which Time Warner and Comcast may own interests in a national satellite program network, and the terms of Time Warner's and Comcast's joint bid to acquire the cable television assets of Adelphia Communications. Based on prior guidance from outside counsel, Comcast's participation in these matters is not affected by the Safeguards.

D. Conclusion

From May 18, 2005, to the present, Comcast has complied with the Safeguards. My investigations, analysis, and opinions regarding Comcast's compliance with the Safeguards have in no way been restricted or limited by Comcast. I personally am unaware of any potential acts of noncompliance, and the acknowledgements returned to me certify that such acts have not occurred by Comcast officers and executives, that those officers and executives are unaware of any acts of noncompliance, and that those officers and executives have ensured that other Comcast employees are aware of the Safeguards and have not engaged in such acts of noncompliance.
